

Remarks/Arguments

The Office Action dated March 16, 2006 has been received and carefully studied.

The Patent Office notes that Figures 17A-D and 18A-B are contained in the Drawings but not listed in the brief Description of the Drawings in the specification. In response to that inconsistency, the applicant has added a new paragraph, describing the omitted figures. This new paragraph should appear between the descriptions of Figure 15 and Figure 20. No new matter has been added.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'R. Frame', written over the printed name.

Robert C. Frame
